

AUTOMATIC POSTER UPDATE PROGRAM

The Manufacturer & Business Association's *Automatic Poster Update Program* is a members-only benefit that is intended to provide you with an easy and stress-free way to remain compliant with labor law posting requirements.

By joining the *Automatic Poster Update Program*, the Association will send you an updated All-In-One Federal or Pennsylvania Labor Law Poster(s) whenever a mandatory change(s) occurs. Prior to receiving the poster(s), you will be invoiced for the cost of the poster(s) you select. Once your invoice is paid, and the updated poster(s) is printed, the Association will send you the poster(s).

The cost of posters will be consistent with the current member price at the time of the poster change and will include applicable shipping and handling charges (please visit our website at www.mbausa.org for the most current member pricing; pricing is subject to change without notification).
